ATLAS NRG

ATLAS NRG DIESEL & GAS GENSETS

ATLAS NRG GROUP

Our group specializes in the energy sector, with Atlas NRG being dedicated to the compact power generating sector. Producing complete state of the art Generating sets, as well as specialized components, panels and highly complex synchronization systems, generator based hybrid power plants and high functioning cabinets.

WHO WE ARE

We specialize in the development and manufacture of engineered metallic enclosures, and power components, with more than 24 year of experience in the sector.

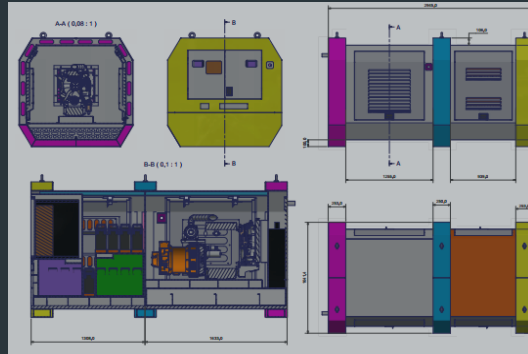

The long-term keys to our company are quality and adaptation to the needs of customers in a personalized way.

A Robust team of highly qualified personnel on 4 continents

Our commitment to precision and modern technologies allow us to differentiate ourselves from the competition and offer the best results competitively.

ATLAS NRG DIESEL & GAS GENSETS

OUR DIFFERENT DEPARTMENTS

ENGINEERING & DESIGN

- Steel work
- Product design engineering
- Project design engineering
- Communications and control engineering
- Technical support engineering

MANUFACTURING

- Mass production
- Manufacture of custom equipment

ATLAS NRG DIESEL & GAS GENSETS

OUR DIFFERENT DEPARTMENTS

INTEGRATION

- Parallel equipment integration
- Integration of automatic switching equipment
- Integration of medium voltage equipment

AFTER SALES SERVICE

- Our own Fully Equipped Service Centers in various locations, from Stockholm to Nouakchott
- Advanced Equipment Telematics & Remote Monitoring
- Fleet Management & Business Intelligence Reporting

ATLAS NRG DIESEL & GAS GENSETS

DISTRIBUTION NETWORK

AERICA

- MEXICO
- PANAMA
- COSTA RICA
- CHILE

EUROPE

- SPAIN
- FRANCE
- SWEDEN

AFRICA

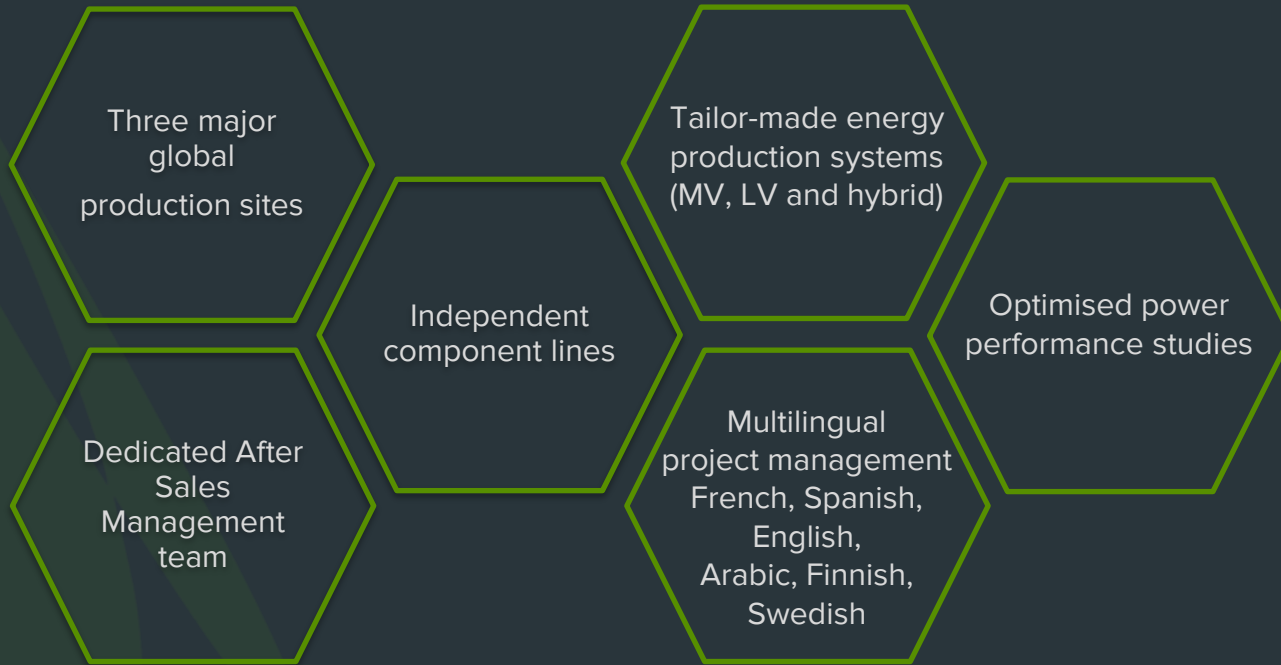

- MOROCCO
- ALGERIA
- MAURITANIA
- NIGERIA
- SENEGAL
- IVORY COAST
- EGYPT
- ETHIOPIA
- BURKINA FASO

ASIA

- INDIA
- UAE
- SAUDI ARABIA
- JORDAN

ATLAS NRG DIESEL & GAS GENSETS

WHY ATLAS NRG

ATLAS NRG DIESEL & GAS GENSETS

WHERE WE ARE

UTRERA - SEVILLA

Our product development offices, together with our main production plant is located in Seville. Equipped with State of the Art continuous systems, and intermittent manufacturing systems for customized batch projects.

PUNE - INDIA

ATLAS NRG PUNE ACCURATE PLANT , Dangat Industrial Estate, Shivane, Pune-411023

ATLAS NRG DIESEL & GAS GENSETS

WHAT WE DO

We manufacture all our components in their entirety, from concept to design, to highly finished product, ready to be integrated in our own systems or supplied to the most demanding integrators globally

ATLAS NRG DIESEL & GAS GENSETS

STANDARD PRODUCT SCOPE OPEN SETS

- Fuel tank integrated in the base frame provided with fuel level sensor and fuel connections
- Industrial silencer with -19 dB(A) noise reduction and exhaust outlet tube
- Silent blocks
- Starter battery complete with cables to the engine and pole protection
- Electrical installation
- Installation prepared for earthing spike
- 3 or 4 Pole circuit breaker
- Complete AMF Panel with emergency stop push button
- Base frame adapted for trailers

ATLAS NRG DIESEL & GAS GENSETS

STANDARD PRODUCT SCOPE ENCLOSED SETS

- Thermo-acoustic insulation, 40mm polyester foam insulation
- Fuel tank integrated in the base frame provided with fuel level sensor and fuel connections.
- Residential silencer with -35 dB(A) noise reduction with exhaust tube and protections.
- Access doors with compression locks
- Starter battery complete with cables to the engine and pole protection
- Electrical installation
- Installation prepared for earthing spike
- Complete AMF Panel with emergency stop push button
- External Emergency stop push button
- Lifting points
- Base frame adapted for trailers
- Silent blocks
- Access hole for power cable outlet

ATLAS NRG DIESEL & GAS GENSETS

Socket boxes

Site or Approved road trailer

Extendable fuel tank

Skids for rental use

Automatic fuel transfer pump

3 way valve fuel filling system

Theft proof Locks

1000 Hours Service

Auxiliary Battery Charger

Battery isolator

Anti condensation heater

Customised Genset

Manual fuel transfer pump

Fluid leakage detector

Super-Silent <54dB(A) @ 7 meters

Added Safeties

120AH Maintenance Free Battery

Drip pan

Galvanised enclosure and chassis

Provision for grouting

Remote Monitoring and Remote Access features
